elemental when carried in bulk.

Charterer means the person or organization that contracts
for the majority of the carrying capacity of a ship for the
transportation of cargo to a stated port for a specified period.
This includes "time charterers" and "voyage charterers".

country and that is not engaged in commercial service.

Time charterer means the party who hires a vessel for a
specific amount of time. The owner and his crew manage the
vessel, but the charterer selects the ports of destination.

Voyage charterer means the party who hires a vessel for a
single voyage. The owner and his crew manage the vessel, but
the charterer selects the ports of destination.
